

EUROPÄISCHES BIBEL TRAININGS CENTRUM

EBTC

## Master of Arts Program

### Our Mission

The EBTC is a private Bible School that supports the church by training preachers and teachers for the ministry of the local church.

It is our goal to provide students with the ability to do the work of the ministry. Our emphasis in accomplishing this is in expository preaching. Prior to the two year Preachers' Institute we offer a one year Bible Survey Program where we provide our students with the foundational knowledge of the whole scripture. Additionally, we offer courses in Biblical Counseling and offer a Masters Degree in Old and New Testament.

### An Educational Model for Men Already in Ministry

Men who are involved in the ministry usually are not able to give up their service in the church and career in order to attain a biblical education. For these men, the unique schedule of the EBTC is especially suitable because of a combined distance-education program and monthly classroom instruction.

### The Primary Purpose

The Master of Arts in Old/ New Testament Studies offers a specialization in biblical interpretation, hermeneutics and Old/ New Testament issues. Central to the program are a student's abilities to work with original language tools and to research biblical topics. The MA emphasizes the exegetical and expositional teaching and preaching of God's Word.

The objectives of the program are to produce students able to:

- Use the best available exegetical tools for biblical study
- Solve interpretative problems in the biblical text
- Preach/ teach exegetical/ expositional messages from the Hebrew Old Testament or Greek New Testament
- Perform scholarly independent research
- Produce and defend scholarly research papers and/or a thesis
